Office of Congressional Affairs

STAT

SUBJECT: FY90 NASA Authorization Bill, H.R. 1759

1. Attached for your information is a copy of the above-captioned bill, on which hearings are currently being held. It appears there are no sections which would be troublesome for the Agency or the Intelligence Community. However, I would like to direct your attention to section 6, which allows NASA to prevent the public disclosure of technical data which may not be lawfully exported.

2. Should you have any questions, you may telephone me on

101ST CONGRESS
1ST SESSION

H. R. 1759

To authorize appropriations to the National Aeronautics and Space Administration for research and development, space flight, control and data communications, construction of facilities, and research and program management, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 10, 1989

Mr. ROE (by request) introduced the following bill; which was referred to the Committee on Science, Space, and Technology

A BILL

To authorize appropriations to the National Aeronautics and Space Administration for research and development, space flight, control and data communications, construction of facilities, and research and program management, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SEC. 1. That there is hereby authorized to be appropri-
4 ated to the National Aeronautics and Space Administration
5 to become available October 1, 1989:

6 (a) For "research and development," for the following
7 programs:
